

Energizer®

MAX POWER BANK

UE20058

Energizer® UE20058 provides 20,000mAh capacity with two USB-A outputs, giving you the most convenient charging solution. With rapid charging at 2.1A, the two USB-A outputs allow you to charge up to two devices at once, keep your essential devices charged! The dual input design gives you the option of recharging via Micro-USB or USB-C based on your convenience. The glossy LCD indicator shows the battery level at a quick glance.

*Based on device compatibility

Features :

- 20,000mAh power capacity provides up to 72 hours of extra time for a standard smartphone.
- Dual output design with 2 USB-A ports that can charge two devices simultaneously.
- Rapid charging at 2.1A, sufficiently charge up your devices wherever you go!
- The LCD battery life indicator shows the charging status and battery level at a quick glance.
- Dual input allows you to recharge through micro-USB or USB-C based on your convenience.
- PowerSafe Management guarantees against short circuit, over current, over charge and over discharge for your power bank and devices.

Specifications :

Model name : UE20058
Capacity : 20000mAh / 74Wh (Max.)
Cell : Lithium Polymer
Input : Micro-USB: 5V/2A USB-C : 5V/2A
Output : USB-A 5V/2.1A
Total Output : 10.5W (Max.)
Dimensions : 147.7(L)x70(W)x28(H) mm
Weight : 419g ± 10g
Color : Black

Package Contents :

• UE20058 X 1 • Charging Cable X 1 • User Manual X 1
